15+ years crafting integrated marketing campaigns for Microsoft, blending strategic rigor with creative storytelling. Specialist in navigating complex tech into human stories that drive adoption and revenue.

### EXPERIENCE

Sr. Integrated Marketing Lead2022 – Present

Microsoft • Edge & Copilot

- Led strategic extension of Microsoft Edge from 'shopping browser' to 'AI-powered browser' through global integrated campaigns
- Translated complex Copilot in Edge features into tangible consumer benefits
- Directed seasonal campaigns driving awareness and adoption across digital markets
- Collaborated cross-functionally to align feature go-to-market with user research and business objectives

Sr. Integrated Marketing Lead2018 – 2022

Microsoft • Microsoft 365

- Developed and led 360° integrated marketing plans across Microsoft 365 and Office portfolio
- Launched 'Free to Be Fans' pandemic campaign for Microsoft's free productivity apps, driving record engagement
- Directed GTM strategy for Microsoft Teams personal use and the Family Safety app launch
- Owned end-to-end creative direction across paid, owned, and earned media

Marketing Manager2012 – 2018

Microsoft • Worldwide Retail

- Developed GTM strategies for 3+ retail campaigns/year across Windows, Surface, and HoloLens
- Managed \$2M+ annual budget with measurable retail and partner impact
- Oversaw end-to-end creative production and in-store retail experience alignment

Campaign Strategy Roles2008 – 2012

Microsoft Vendor • Various Agencies

- Launched in-store demos for Windows Phone in 30+ languages; produced demo videos for global deployment
- Led campaign execution for MSN, Bing, and Internet Explorer
- Managed content and engagement strategy for MSN Latino Entertainment

Product & Merchandising Manager2005 – 2008

Blue Ring Media • Startups

- Led mobile content strategy for Latino-focused storefronts and multicultural programming
- Developed and launched branded mobile content products
